INDIAN INSTITUTE OF MANAGEMENT AHMEDABAD

Requires

Research Assistant

Accelerated General Management Programme [AGMP], Blended Learning mode, is looking for a Research Assistant to work with a team of teaching faculty to assist before start of online sessions, maintaining course bulletin board, and in assistance during delivery of online programme. The delivery would be over the weekends.

Persons with a post graduate degree in management/commerce/economics/ and with an ability to work independently and who would need minimum supervision may apply. Exposure to online management tools and techniques will be an added advantage. English language skills would have to be excellent. Should be conversant in using excel, word, PowerPoint etc.

The position is purely on temporary basis. Compensation would vary depending upon qualifications, experience, and would be as per IIMA norms for RAs.

Interested persons may please forward / send CV include details of schooling, graduation, marks, class, prior experience, contactable references, and other evidence in support to agmp_pc@iima.ac.in on or before Wednesday, June 12, 2019.
