- In first attempt, the students will get a first-hand experience of taking an examination and to know their mistakes which they can improve while attempting for the second time.
- This will reduce chances of dropping a year and droppers would not have to waste a full year.
- If anyone missed the examination due to reasons beyond control, then he/she won't have to wait for one full year.
- The student's best of the two NTA scores will be considered for preparation of Merit List/ Ranking.

For Indian nationals passing the Class XII (or equivalent) examination from Nepal/Bhutan, the State code of eligibility will be determined on the basis of permanent address in India as given in the passport of the candidate.

The State code of eligibility of OCI/PIO passing Class XII (or equivalent) examination in India is at par with Indian nationals.
