RECRUITMENT FOR FACULTY AND ADMINISTRATIVE POSITIONS

The National Institute of Educational Planning and Administration (NIEPA), (Deemed to be University) established by the Ministry of Human Resource Development, Government of India, is a premier institution dealing with capacity building and research in planning and management of education not only in India but also in South Asia.

In recognition of the pioneering work done by the organization in the field of educational planning and administration, the Government of India have empowered it to award its own degrees by way of conferring it the status of Deemed to be University in August, 2006. NIEPA is fully maintained by the Government of India.

The National Institute has its origin dating back to 1962 when the UNESCO established the Asian Regional Centre for Educational Planners and Administrators which later became the Asian Institute of Educational Planning and Administration in 1965.
